Nautical Collection

INSPIRED BY THE SEA

Our latest range of premium laminate flooring THE NAUTICAL COLLECTION is inspired by a life on the sea. Our narrow panels take inspiration from the ship plank floors of a luxury yacht. With authentic natural wood decors and precise registered embossed texture our floors spell luxury and tranquility like no other.

Like all other products from SCHEIT, this range also comes with a promise of quality and value. We are sure that this floor will be part of your living space for a long long time.
